## Objective of Deeksharambh

The primary objective of Deeksharambh – Student Induction Programme is to welcome new students, help them adjust to college life, understand the academic system, and build confidence, values, and connections for a successful journey ahead.

It aims to:

1. Help students adjust and adapt to the new environment and develop a sense of belonging.
2. Introduce students to the vision, mission, rules, and culture of the institution.
3. Create awareness about the academic structure, learning resources, and support services available.
4. Inculcate in students the values, ethics, and responsibilities essential for personal growth and professional excellence.
5. Provide opportunities for interaction with faculty, peers, and alumni, fostering healthy relationships.
6. Encourage holistic development through academic, co-curricular, and extracurricular activities.
7. Build a strong foundation for students to pursue knowledge with confidence and integrity.

  
Prof. N. B. Sadar

Deeksharambha Coordinator
